Nominee: Marcelo Errazuriz

Campus/Department: Buildings and Grounds

Tell us how this person has positively touched the life of you or your child:
Marcelo picked up our intercampus mail today and as he left the campus and headed to his truck on this windy morning, he stopped to pick up several pieces of trash that had blown into the front flower bed. He exemplified our BISD belief, "Personal commitment to quality from everyone in the learning organization creates student and staff success." Thank you for going above and beyond to make BISD a great place to work and learn.

Tammi is a miracle worker! She schedules all the buses for all the field trips in the district. She can move 200 piece bands weekly to football games and marching contests, or complete grade levels to ballets and symphonies. She makes sure all our students get where they need to be for UIL auditions, contests and concerts. Her job is very demanding, but she is always pleasant and helpful. She does everything with a smile in her voice. Thank you, Tammi, for taking such good care of Fine Arts. You know how to move mountains!

Ms. Ramirez is a dedicated aide that works with those with special needs in inclusion. She has a warm and gentle spirit that warms the hearts of all those around her. The children she works with are very blessed by her desire, her love, and her persistence. While in our classes she ensures that all of those at her table are engaged, whether in the whole group lesson, or a modified small group or individual. It is people like Ms. Ramirez that remind us that all children can learn with enough love and attention. She is a light in the darkness. Go Horns.

When meeting with the Executive Master Teacher that oversees this grant, he told me that Haltom Middle School is the epitome of what the grant was trying to accomplish and that it is because of the work that Dawn does with the math teachers. Nominee: Tony Smith

Campus/Department: North Oaks Middle School

Tell us how this person has positively touched the life of you or your child:
I am the mother to two awesome band students who have benefitted musically, academically, and in character as a result of the AMAZING guidance of Mr. Tony Smith at North Oaks Middle School. My younger daughter made both all-Birdville and all-region in flute. She tries extra hard as she wants to represent not only herself, but Mr. Smith, in her musical career. As my younger (and last) daughter leaves North Oaks, moving on to high school in 2013, we will miss the enthusiasm, spunk, and GENUINE care Mr. Smith gives to his students and the band!
